#### The President Says...

Well, it may not quite look like winter, but the calendar does not lie. We are turning the page on fall and preparing for that oh so hallowed time we call "the ski and ride season." And with that we enjoy the relaxation of the Powder Day away from the hustle and bustle of friends and family, for there are no friends on Powder Days. But, lo and behold, the rest of our days we do have friends and family, both of which may well be your fellow Newington Ski Club Members. And I would like to take this moment to thank our members Adela Martinez for doing a terrific job with the Open House, Jill Bennett for capably representing Newington Ski Club as our Ambassador at the Snowball, and Ted Rogala for making the Holiday Party an overwhelming success. New get out there an wax those boards and sharpen those edges, for we are in for an el Nino treat. Happy Holidays everybody!!

Robert A. "Rusty" Cushman NSC President

## Membership

Membership had a big surge in November! We now have over six hundred skiers and snowboarders ready to hit the slopes. Plus there are still over 250 people including their children who were members of the Newington Ski Club last year who have not renewed yet. If all of them return to being Club Members we will exceed our 750 members of last season.

So, if you are among the missing head to our website at newingtonskiclub.org, it is not too late to renew. I will even give you until Christmas to have your name included in this year's Roster. Our membership page will take you to the registration at active.com. Remember you do not need to join active.com to join the Newington Ski Club! I will also continue to have paper applications at the Ski Club meeting. Once you have joined, you will be provided with the current year's CSC sticker to affix to your card. New members will receive a permanent membership card with the 2011/12 Connecticut Ski Council sticker.

I have about caught up with all of the registration as of the 1<sup>st</sup> of December. Your Membership Cards and/or CSC stickers have been mailed out. If you have not received your 2011/12 sticker by the time you read this Newsletter, please contact us and I will track it down. As the ski season is about upon us, I will attempt to turn your applications around in just over a week. I only had to replace two membership cards last season, but this season I have already lost count of the member of replacements made. Remember we are using permanent membership cards, so please hold on to them. They may not be as valuable as your credit cards or as important as an ID, but to the avid skier and boarder they are close.

Finally, please provide your personal email address at signup so we do not inundate our Club volunteers with automated "out of office" replies.

## On-Snow Winter Carnival-March

#### 2<sup>nd</sup> - 4<sup>th</sup>

It is not too early to start thinking about the Connecticut Ski Council winter Carnival. The big On-Snow Weekend will be taking place in Killington Vermont this season. This will be the first time that the On-Snow Weekend will have ever taken place at two ski areas. The Ski Racing is going to be held at Pico Mountain and all the other events will be held at Killington Mountain. The Killington - Pico Ski Resort is a big place so it is going to take a lot of us to make our usual impact. So start talking it up; get as many friends interested and geared up as you can, for what has always been a good time.

This is a fun-filled weekend of socializing and competition between the ski clubs that make up the CSC. Friday, March 2, 2012, will be the State Downhill Race, and a day of free skiing for most that can take the three day weekend. Saturday, March 3, 2012, there are events for all with Junior races, the Team race for

## Ski & Snowboard Tune-Up Clinic

# MONDAY, DECEMBER 19th 8:00 p.m.

#### **Alpine Haus of Wethersfield**

The clinic will cover the basics of how to strip old wax off equipment, sharpen edges, and maintain equipment so it has a long life. After the clinic, attendees will have the opportunity to purchase tuning supplies at a 15% discount.

## Thank You To:

NSC for selecting me as NSC's Connecticut Ski Council Outstanding Member.

the serious competitor, and the Club race for anyone who enjoys the challenge of some gates, plus there is the always fun snow volleyball. On Sunday, March 4, 2012, there will be the State Cross-Country Race, and the Ski Rally and Fun Race, which are recreation events everyone can participate in.

So start making your plans to join in for what always is a great weekend of group skiing, Killington has a lot of lodging options, but like anywhere the best ones book up fast, so you will want to make your plans soon. We are hoping to get a lot of whole families to come out. The Newington Ski Club has finished in first place in the overall competition the last two years and we would like to make it three. With some better children's participation, clinching it again would be easier. We ran the racing at last year's event and will be doing so this season. Ron Kapraszewski is looking for volunteers to help out for a couple hours at Pico. The weekend is not all about competition, most of it is about socializing and having fun. Saturday night there is a nice sit-down dinner at the Killington Grand Hotel followed by a lite après ski party with a DJ. Lee Cohen at Killington Ski Resort is the On-Snow Coordinator and is trying real hard to put it all together for this first time as host. So google Killington, call the resort, or come to a Club meeting, so you can figure out how to put the Winter Carnival on your calendar. NOTE: BUILK TICKETS CANNOT BE USED FOR THIS EVENT. SPECIAL TICKET PRICING WILL BE AVAILABLE AND CAN BE PURCHASED AT ANY TICKET WINDOW.

## Snow Ball - Recap

This year's Snowball was well attended by a number of NSC members. There was plenty of fun, dancing and camaraderie.

A great time was had by all attendees, who danced well into the night, and partied in various hospitality suites.
