## Newington Ski Club Bulk Ticket Policy 2015 – 2016

**\*\*Still in Effect for 2016-2017 Season\*\***

The following is the policy of the Newington Ski Club regarding the sale and use of bulk ticket vouchers.

- Bulk tickets are for the exclusive of NSC members and their immediate families. Family membership consists of children under 19 and/or are full time students 23 & under.
- **Members are allowed to purchase a maximum of 15 tickets per person, per resort.**
- NSC dues must be paid prior to picking up bulk tickets orders.
- **Club membership cards with the current year's sticker must be available when redeeming vouchers for tickets. The resorts have the right to refuse redemption if no valid membership card is presented.**
- Distribution of tickets through other avenues, such as but not limited to, web sites, eBay, scalped at resort parking lots, or included for guests in rental properties, will result in the banning of the individual from purchasing vouchers in subsequent seasons.
- Names of chronic or blatant individual violators will be provided to all CSC member clubs on an annual basis.
- We strongly recommend that all vouchers be picked up by members at ski club meetings. If you must have tickets mailed, provide a self-addressed stamp envelope (1 stamp per 5 vouchers). Tickets are sent via USPS, sending extra money to insure tickets are recommended as NSC is not responsible for any lost tickets.
- Vouchers are to be picked up at the NSC meeting from the bulk ticket coordinator representing the mountains from which tickets were purchased.
- Violation of the Connecticut Ski Council, Okemo and NSC bulk ticket policies will result in possible termination of the individual's NSC membership, and possible expulsion from any other CSC club.
- Tickets purchased by NSC are for new members. After January 1<sup>st</sup> any available tickets will be sold on to any NSC member.

### RETURN POLICY:

- Per contracts with participating ski resorts, a percentage of unused vouchers shall be used for credit towards the next season's purchase. **No cash refunds!**
- All unused vouchers shall be returned to NSC bulk ticket coordinators by April 30, 2016 **(NO EXCEPTIONS)**
- Based on the total return, only partial credit may be given.
- **New: Okemo return tickets must be submitted with a \$1/return ticket fee, issued to NSC, for submission to Okemo through the CSC.**

## Okemo Bulk Ticket Program 2016-2017

There is a small change for users of Okemo tickets this season. Okemo tickets cannot be used at Mt. Sunapee. If you wish to ski at that resort, please order bulk tickets for Mt. Sunapee.

Okemo was very generous with the returns for last season giving us a 27% credit and did not charge the \$1 per ticket return. However, that policy is in place for this season. Please review the policy and usage of the RFID cards.

*Here are the important things for you and you club members to know:*

Carry ONLY ONE TICKET in your pocket/wallet/jacket when you ski. If you carry more than one, ALL of the tickets will be scanned and thereby INVALIDATED when you try to use them another day. In addition, no other RFID cards from other resorts may be carried concurrently.

**All skiers will be scanned at lift entry, and skier ID and photo stored in the scanner.**

At the end of the ski day, TEAR UP AND THROW OUT THE USED TICKET. Provided access cards are single use only and may not be reloaded.

Okemo will continue to accept a 20% return at the end of the season. However, OKEMO will deduct \$1 for every ticket returned from the credit due for the next ski season. Therefore, you must order carefully – DO NOT over-order. Okemo will allow the CSC to place additional orders (of 25 or more each time) throughout the season, so you will always be able to purchase tickets at the CSC discounted rate.

Tickets have an ID number. IT IS MANDATORY THAT EACH BULK TICKET COORDINATOR FOR EVERY CLUB RECORD THE ID NUMBER AND THE CLUB MEMBER'S NAME. If there are any problems or abuses of the program, both Okemo and the CSC can directly trace it back to the club member. If this is NOT done and there are problems, the entire club's tickets can be invalidated at the discretion of Okemo. These tickets CANNOT be used by anyone other than the individual club member. They cannot be sold, given away to friends, or used as perks in club lodges or private homes. Tickets are a member-only privilege.

Credits from the return of last season's vouchers will be applied to the purchase of this season's tickets, as always. You will place your Okemo order just as you have done in the past. The only difference for the user is that they are LIVE tickets, scanned at lift entry, and that every unused ticket returned will be charged \$1 per ticket toward the credit for next season.

Thank you for your cooperation.

**Connecticut Ski Council**  
**Bulk Ticket and Awareness Days Policies**  
**2016-2017**

The following is the policy of the Connecticut Ski Council regarding the purchase and use of bulk ticket vouchers. The CSC requires that all member-clubs comply with these policies.

**Purchase of Vouchers:**

- ∞ Bulk ticket vouchers may be purchased by CT Ski Council member-clubs only, and only after the club has been a member of the CSC for one full year.
- ∞ Bulk tickets are for the exclusive use of dues-paying members of CSC member-clubs.
- ∞ CSC annual dues must be paid in full prior to the club placing bulk ticket orders.
- ∞ Orders will be placed at the October CSC meeting each year. Vouchers are to be picked up at the November CSC meeting by the club's designee. Under no circumstances will bulk tickets be mailed to a club.

**Exchange of Vouchers for Daily Lift Tickets:**

- ∞ Each club member 18 years of age or older must be issued a club membership card, and the current year's CSC sticker must be affixed to that card. Family membership club cards must list the names of family members on the card and must affix a current and valid CSC sticker for each person listed. Clubs may elect to issue membership cards to individuals under the age of 18 in lieu of listing names on a family card.
- ∞ **EVERY PERSON WHO EXPECTS TO EXCHANGE A BULK TICKET VOUCHER FOR A DAY'S LIFT TICKET AT ANY MOUNTAIN RESORT MUST HAVE EITHER HIS/HER OWN INDIVIDUAL CLUB MEMBERSHIP CARD, OR BE INDIVIDUALLY NAMED ON THE FAMILY'S MEMBERSHIP CARD AND A VALID CSC STICKER AFFIXED FOR EACH INDIVIDUAL WHETHER ON HIS/HER OWN CARD OR ON A FAMILY CARD.**
- ∞ Club membership cards will be shown by individuals to ticket window personnel when a voucher is being redeemed for a daily lift ticket. Mountain resorts have the right to request and/or require identification in addition to club membership cards at their discretion. Resorts also have the right to refuse redemption of voucher if a valid membership card is not presented for each voucher to be exchanged for lift ticket.

**Policy Violations:**

- ∞ Clubs shall not charge their members any additional purchase fee, and shall only sell vouchers to its members at the price quoted by the CSC. We recommend that no tickets shall be mailed to individuals by the clubs, but in the event this occurs, actual postage fees may be charged by the club to the individual on a per-order basis only.
- ∞ Distribution of vouchers through other avenues such as but not limited to websites, eBay, resort parking lots, guests of rental properties or contest give-aways will result in the banning of the individual from purchasing vouchers in subsequent seasons.
- ∞ Names of chronic and blatant individual violators will be provided to all CSC member-clubs on an annual basis.
- ∞ Violation of the CT Ski Council policies will result in possible termination of the individual's membership in his/her club, and possible expulsion of the club from the CSC.

**Return of Unused Vouchers at Close of Season:**

- ∞ All unused vouchers shall be returned to the CSC bulk ticket coordinators at the May CSC meeting – no exceptions.
- ∞ A dollar percentage of unused vouchers shall be credited to each club that has returned said vouchers. The credit shall be applied to the purchase of the following year's vouchers.
- ∞ The percentage will vary according to the contract with the individual participating resort. Credit is based on an aggregate figure allotted to the CSC.
- ∞ **Refer to Okemo Bulk Ticket Policy for specific return instructions.**

Please note: Policies apply to both Southern and Northern tiers. There may be modifications in Northern tier policies; please contact those coordinators for details.

Please note: All membership card information also applies to all CSC Awareness days.
